In order to facilitate payment as well as prevent involvement with a collection agency, Dr. Santhi Periasamy's office requests a valid credit/debit card to ensure payment is received in a timely manner. Credit card information is requested to keep on file and to use for no-shows appointments and cancellations not made more than 24 hours of your appointment. Your debit/credit card may also be charged should you develop an outstanding balance of session payments.

In every case, you will be notified if a charge will be made to your account. Your credit card information will be maintained in a confidential and ethical manner, and the information will not be shared with anyone outside of Dr. Santhi Periasamy's office. Dr. Santhi Periasamy's office accepts MasterCard, Visa, American Express or Discover. If you do not have a valid credit/debit card, a cash deposit or an un-dated signed personal check with your driver's license or Texas I.D. number will be accepted. It is your responsibility to update information as your information changes.
